\*Prices are subject to change without notice. Colors listed above are examples only, please ask a United Metal Buildings representative for an actual color sample. 12-gauge steel option carries a 20-year limited warranty covers the rust throughout the framing assuming normal care and maintenance. The 14-gauge steel option carries a 1-year no rust warranty. 22 ft wide and up, recommended use of the 12-gauge material. All buildings have a snow load of 40 PSF (pounds per square foot). **No warranty is provided for leaking at the base rail.** All buildings are installed with the standard steel rebar rod which does not provide any warranty against wind damage. To obtain the wind warranty, you must purchase all required amount of anchors. All orders are C.O.D. (Prices Effective 01/23)
